Imagine, by simply doing your weekly grocery shopping you can support the much needed support services that Family Promise - Greater Phoenix provides in the community! It really is that simple. Here is how it works...

Every time your Bashas' Thank You card is swiped, between September 1, 2006 and March 31, 2007, Bashas' will donate one percent of the total sales to Family Promise. (There are no additional fees on your grocery bill.) The Thanks a Million For Friends and Neighbors program could raise hundreds of dollars toward programs for Family Promise based on your participation alone!

## **What Family Promise Needs from You**

Simply detach the form below and give it to the Bashas' cashier with your Thank You card.

**THANK YOU for Your Support!**
